REASONS FOR ALLOWANCE

Claims 1-21 are allowed. The following is an examiner's statement of reasons for allowance: regarding claim 1, the prior art does not suggest the method for retrofitting a keyboard musical instrument as claimed, including the combination of all the claimed elements, the combination including marking at least one reference seal in said stationary board at a certain position determined on the basis of said keyboard so that said at least one reference seal is related to said keyboard, making a gadget related to said keyboard through said at least one reference seal, and forming holes at target positions in said stationary board by means of said gadget already related to said keyboard so that said holes are exactly located below said keys as claimed. Regarding claim 7, the prior art does not suggest the method for forming holes in a board where a keyboard is to be mounted as claimed, including the combination of all the claimed elements, the combination including making a gadget related to the keyboard through a reference seal and forming holes at target positions in said stationary board by means of said gadget already related to said keyboard so that said holes are exactly located below keys of said keyboard as claimed. Regarding claim 13, the prior art does not suggest the gadget as claimed, including the combination of all the claimed elements, the combination including the adjusting device making the boring unit related to the keyboard through at least one reference seal as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
